

# 2020–2021 CAMPUS VISITOR GUIDELINES

## WELCOME TO MOORE COLLEGE OF ART & DESIGN!

We're excited to host you on our campus! The best way to experience Moore's one-of-a-kind creative community is to see it for yourself. To ensure the ongoing health and safety of the Moore community and our campus visitors, we have put in place the following measures based on public health directives from the Commonwealth of Pennsylvania, the City of Philadelphia and the CDC:

## BEFORE YOUR VISIT

We require all visitors to register in advance and confirm their visit before arriving on campus. To register for a campus tour, go to [moore.edu/visit](https://moore.edu/visit). Due to limited capacity on campus, we are limiting families to one (1) student and one (1) guest. Due to space and social distancing guidelines, walk-in visitors and group tours will not be permitted on campus at this time.

## COVID-19 GUIDELINES

We ask that you and your guest refrain from visiting campus if one of you does not feel well, especially if you are experiencing any symptoms of COVID-19, and/or you have been in contact with someone who has contacted COVID-19.

## FACE COVERINGS & HYGIENE

All visiting students and guests are required to bring your own face coverings when visiting Moore's campus. Face coverings should cover both your nose and mouth, which includes masks without an exhalation valve and face shields. Face coverings must be worn at all times, especially when physical distancing of six (6) feet or greater is not possible. Unfortunately, we are not able to offer refreshments to visitors at this time. While we look forward to meeting you in person, the admissions staff and student ambassadors will not be shaking hands.

## ON THE DAY OF YOUR VISIT

Moore does not offer campus parking, as we are located in the heart of Philadelphia's museum district. We recommend that you allow enough time to park in the Kennedy House Garage located at 1901 JFK Boulevard, just two blocks from campus. Moore only has one entrance, so when you arrive at 1916 Race Street, security will call Admissions staff to come greet you. Once we have checked your temperature with the digital monitor by our front entrance, your student ambassador will begin your tour. Campus tours will conclude with a conversation and portfolio review in a socially distanced meeting room with an admissions counselor. When you are finished, the counselor will escort you back to the lobby.

Campus tours will be approximately 30 minutes each and will follow a tour route that has been approved by Moore's Emergency Response Team, in order to ensure that proper cleaning protocols take place between tours. For the safety of our students, residence halls will not be shown on the tour.

While Moore College of Art & Design is taking all necessary precautions to safeguard our community, we cannot eliminate the risk of COVID-19 exposure and infection on campus. *Please keep in mind that you are undertaking your campus visit at your own risk.* If you are scheduled to visit campus and begin to show symptoms or tests positive for COVID-19 within 48 hours, please do not come to campus and instead contact us so that we may reschedule your visit.

If you have any questions before your visit to Moore, please contact Jasmine Zateeny, Campus Visit Coordinator at [jzateeny@moore.edu](mailto:jzateeny@moore.edu) or call/text 215.960.9646. Visit [moore.edu/coronavirus](https://moore.edu/coronavirus) for additional COVID-19 updates and current campus health and safety guidelines.
