

2021 CAMPUS VISITOR GUIDELINES

WELCOME TO MOORE COLLEGE OF ART & DESIGN!

We're excited to host you on campus! The best way to experience this special community is to see it for yourself.

To ensure the ongoing health and safety of the Moore community and our campus visitors, we have put in place the following measures based on public health directives from the Commonwealth of Pennsylvania, the City of Philadelphia and the CDC:

BEFORE YOUR VISIT

All visitors are required to register in advance and confirm their visit with the Admissions Office 24 hrs before arriving on campus. For more detailed information about campus tours, visit the campus tour webpage on the Moore website: <https://admissions.moore.edu/portal/campus-tours>. If you are visiting campus and flying to Philadelphia from out of state, please consult with your airline to determine their requirements for travel.

COVID-19 SYMPTOMS

We ask that you and your guest refrain from visiting campus if you are experiencing any symptoms of COVID-19, and/or you have been in contact with someone who has contracted COVID-19. If this is the case, please contact the Admissions Office to reschedule your visit for another time.

FACE COVERINGS & HYGIENE

All visiting students and guests are required to bring their own face coverings and wear them when visiting Moore's campus. Face coverings should cover both your nose and mouth, including masks without an exhalation valve and face shields. Face coverings must be worn at all times, especially when physical distancing of six (6) feet or greater is not possible. Please refrain from bringing food and/or drinks with you to campus. While we look forward to meeting you in person, the admissions staff and student ambassadors will not be shaking hands.

ON THE DAY OF YOUR VISIT

Moore does not have campus parking as we are located in the heart of the Parkway Museums District. We recommend that you allow enough time to park in the Kennedy House Garage located at 1901 JFK Boulevard, just two blocks from campus. Moore's only entrance is located at 1916 Race Street. When you arrive, you will take your temperature using a digital monitor and once cleared, security will call the Admissions staff to come greet you.

While Moore College of Art & Design is taking all precautions to safeguard our community, we cannot entirely eliminate the risk of COVID-19 exposure and infection on campus. Please be advised that attending an on campus tour is done so at your own risk.

For questions or concerns, please contact Jasmine Zateeny, Campus Visit Coordinator at jzateeny@moore.edu or call/text 215.960.9646. Please visit moore.edu/coronavirus for additional COVID-19 updates and guidelines.
