

## MOORE COLLEGE OF ART & DESIGN YOUTH PROGRAMS FACULTY

Moore College of Art & Design's Continuing Education Department is seeking new youth programs faculty! We're seeking working professionals who can help youth learners discover their passion for art and design. Students enrolled in YAW grow creatively while developing as artists, thinkers and innovators. YAW kids and teens hone and diversify their skills, build self-confidence, make lasting friendships and develop strong foundations for creative success. To learn more about us, please visit [www.moore.edu/yaw](http://www.moore.edu/yaw) or email our team at [ce@moore.edu](mailto:ce@moore.edu).

The CE department hires youth program faculty on a **year-round, rolling basis**. Artists and makers interested in facilitating creative educational experiences who specialize in the following disciplines are encouraged to apply:

- 3D Character Design
- Anatomy for Artists
- Acrylic Painting
- Animation
- Architecture & Interior Design
- Cosplay Construction
- Drawing
- Illustration
- Fashion Design
- Fine Arts
- Filmmaking
- Game Design
- Graphic Design
- Photography
- Printmaking
- Watercolor Painting

We encourage applicants who are new to teaching and those who have teaching experience. It is preferred that applicants for this position have a degree or equivalent professional experience in one of the listed areas of study. The qualities we seek in our faculty are:

- Availability on **Saturdays**
- Willing to attain PA Child Abuse Report, PA Criminal Background Check, and FBI Check upon interview
- Punctuality and dependability for class schedules is necessary
- Ability to provide excellent and consistent communication
- Ability to work collaboratively and in partnership with parents and staff
- Demonstrated knowledge of preferred artistic discipline
- Creativity and flexibility to cater to learning styles and varying artistic abilities
- Organization and problem-solving skills
- Interest in managing a classroom of 10-15 students
- Ability to create curriculum that includes week-by-week lesson plans, goals for expected course outcomes, and facilitate final classroom exhibition as needed

**To Apply:** please send a brief introduction, resume, and portfolio website link to [ce@moore.edu](mailto:ce@moore.edu) with a subject line that includes the discipline you are interested in teaching.
