

Wellness Support

ON-CAMPUS SUPPORT

Moore has a part-time licensed therapist onsite Monday through Friday to provide individual as well as group counseling to students.

A registered nurse, available Monday through Friday, offers over-the-counter health supplies, such as bandages, ice packs and cold relief medication.

TELEHEATH SUPPORT

All students, regardless of insurance, have the ability to select and schedule an appointment with a therapist, psychiatrist or general medical doctor by phone or video for free, seven days a week, through our HealthiestYou app by Teladoc.

DIVERSITY, EQUITY, INCLUSION & ACCESS AT MOORE

At Moore College of Art & Design, we're committed to providing a supportive, inclusive and equitable campus environment for all students. Based on Moore's legacy and commitment to excellence, leadership, professionalism and respect, we continuously strive to provide necessary resources that foster a culture of warmth and support, where each student can find their own voice and listen to the voices of others.

Diversity Committee and DEIA Newsletter

Moore's Diversity Committee, made up of students, faculty and staff, is open to anyone who would like to join the conversation about how to make the College a more diverse, equitable and inclusive place. General meetings occur on a monthly basis, and are a great place to learn about upcoming initiatives, programming and events related to this work. In addition, a monthly Diversity, Equity, Inclusion & Access (DEIA) Newsletter is sent to the broader Moore community with ongoing updates, resources and reminders. To join the Diversity Committee or to submit content to the DEIA Newsletter, please email the Director of Student Life and DEIA.

Anna Russell Jones Award

Moore has established the Anna Russell Jones Award and hopes to enhance diversity by encouraging traditionally underrepresented minority students and financially disadvantaged students to apply for the award. Moore anticipates that this award will subsidize students' purchase of art kits, books, transportation costs and meals during the current or next academic semester. All full-time BFA students enrolled at Moore for at least one semester will be eligible for the award. Typical awards range from \$300–\$500 and can be used toward the current or next academic semester. Preference will be given to undergraduates with a minimum 2.0 GPA, and award recipients will receive an invitation to provide an impact statement after receiving the award.

Preferred Name Form

Moore College of Art & Design recognizes that students may use names other than their legal names to identify themselves. The ability to use a preferred name can be particularly important for transgender or gender-nonconforming individuals. Except when the use of an individual's legal name is required by law or policy, students will be identified in Moore information systems by their preferred name in accordance with the Preferred Name Form submitted to the Registrar's Office. A preferred name may be changed by submitting the Preferred Name Form to the Registrar's Office. Once approved, the student's preferred name will appear on the following college records: Moodle account name, student email account, Moore ID card.

Accessibility Resources

Visit [TechOWL](#) for tools and technology through Pennsylvania's Initiative on Assistive Technology (PIAT) for people with disabilities. Learn more about local resource centers and additional funding available for assistive technology programs and projects.

DISABLED AND NEURODIVERGENT STUDENT ALLIANCE (DSA)

A student-led club that aims to promote accessibility on campus and provide resources for disabled and neurodivergent students. The DSA promotes accessibility by meeting to brainstorm ways to improve physical accessibility on campus and provides resources for students through regular support group meetings.
