Articulation Agreement Contract

**Between Moore College of Art & Design
Bachelor of Fine Arts in Interior Design
And
Raritan Valley Community College
Associate of Interior Design**

Moore College of Art & Design (Moore) and Raritan Valley Community College (RVCC) are entering into this agreement in order to facilitate the transfer of students who have earned the "Associate" degree in Interior Design from RVCC. The articulation provides for entry into Moore's Interior Design Program with junior level standing and transfer of credit under the guidelines below:

- 1 RVCC students successfully complete the courses as described in the attached document and attain a minimum cumulative grade point average of 2.5.
- 2 RVCC students' application for admission and consideration for advanced standing in Moore's program covered under this agreement must be supported by a letter of recommendation from a faculty member of the Interior Design department at RVCC.
- 3 Students must follow and complete the application procedures as outlined in the Moore College of Art & Design catalog.
- 4 In accordance with Moore College of Art & Design Admissions requirements, a portfolio of artwork must be submitted for review by the Admissions Office. The admissions portfolio must contain between 8 and 12 pieces of artwork as required of all BFA applicants.
- 5 A grade of "C" or better is required for transfer of credit in all courses. In order to transfer with advanced standing, students must complete the recommended course work at RVCC which parallels Moore programs as outlined.
- 6 Maximum allowable number of transfer credits applied from RVCC toward the BFA degree at Moore is 76.0 credits.
- 7 This contract will be mutually reviewed on a year-to-year basis to determine if adjustments should be made. Amendments to this agreement may be renegotiated when necessary for the improvement of transfer procedures. The Academic Council (or the equivalent of that council) at each institution should be notified in writing of any changes to courses or programs that might affect this agreement.
- 8 RVCC students will be considered for financial aid and housing on the same basis as other Moore students. Specifically, RVCC students would be eligible for grant and scholarship money based on their G.P.A. and portfolio on the same basis as Moore students.
